

BiermannPartners AG

Our core competence lies in the worldwide identification, direct address and evaluation of executives and specialists in banking. Thanks to the very close contact to executives and strategic decision-makers, we generate unknown possibilities and ideas consecutively. During the selection process of the best associates possible, we set ourselves apart from our contestants with new ways and define ourselves through confidence, reliability, teamwork and flexibility. We are executive search consultants – but we even more see ourselves as “information managers”.

Private Equity Product Specialist

Company

For our Client, one of the world’s leading and most diversified reinsurance companies, we are looking for a Private Equity Product Specialist to be based in Zurich, Switzerland. The Private Equity Product Specialist will report to the Head of Private Equity.
